## biography

Rock City Machine is a 4-piece rock and roll band from Nashville, Tennessee that features the musical accompaniment of electric guitar, bass, drums, electronic percussion and synthesizer.

Rock City Machine began 3 years ago in the desert of Phoenix. The band is currently recording their first EP at Sound Stage Studios in Nashville, Tennessee. The EP is being mixed by recording engineer Chad Brown and mastered by John Thomas at Final Stage Mastering in Nashville.

Rock City Machine is currently booking dates for their first east-coast tour and are available April 10th through the 19th. Enclosed is a copy of their latest single, "Boy Toy." If you are interested in booking Rock City Machine to play your venue, please contact Stephen Parvin or Jesse Benfield at the number listed above. You may also contact the band via email at [rcm@blacklabelempire.com](mailto:rcm@blacklabelempire.com).
